Historical Society Endowment Fund

Dear Historical Society Members,

As valued supporters of The Historical Society, we want to share with you a sneak peek of our upcoming **Endowment Fund Appeal**, which will appear in the November issue of The Pink Sheet. We are thrilled to have already raised \$28,900 in endowment funding from a few generous villagers. As the current board members of the Historical Society, we hope we can count on your continued support for this exciting new long-range fundraising opportunity this year.

**Please Consider Making a Year-End Donation to the Historical Society's
NEW Endowment Fund!**

2020 has taught all of us many things—including the need to plan for a secure future. To that end, the Historical Society's Endowment Fund will generate annual income to further our charitable mission and ensure our long-term financial stability. Our donors know that by contributing to our Endowment Fund, their gifts will keep on giving and benefit the work of the Historical Society for many years to come.

As you plan your year-end giving, please consider donating to our Endowment Fund. Your gift will demonstrate your commitment to preserving the unique history of Gates Mills, sharing the story of its transition from a rural mill community to the charming village we enjoy today, and maintaining the Southwick House Museum as a three-story repository of local artifacts and antiques.

Yes, I recognize the importance of preserving the history of Gates Mills, and I would like to contribute to the new Endowment Fund. *(I understand that my contact information will not be shared.)*
